

Where do I obtain a temporary parking permit?

Visitors to the campus and students may obtain a parking permit in King Frazier Suite 127.

What if I do not obtain a decal or temporary permit?

If you do not affix a valid decal or properly display a temporary permit during the required timeframe, your vehicle will be subject to ticketing, booting, and/or towing.

How do I pay for my citation?

In order to pay for a citation, you must look on either (1) your SSU PAWS account or (2) login your Parking Account at www.savannahstate.t2hosted.com to obtain your citation balance. Once you have done that you may either click the link "Pay My Citation" or visit Hill Hall to pay at the Cashier's Office. Failure to pay your fines could result in a hold being placed on your student account until paid.

How can I appeal my citation?

If you feel the ticket was given to you in error, you may appeal the citation by submitting an appeal form within 10 calendar days. Appeal forms can be found online at www.savannahstate.t2hosted.com. All decisions are made by the Parking Appeals Board and are FINAL.

For more information about SSU parking rules and regulations, visit <http://www.savannahstate.edu/fiscalaffairs/parking.shtml>.

If you require special parking accommodations, you must obtain a handicap hangtag. The form for the hangtag may be obtained through Georgia Department of Driver Services.

Parking and Transportation
Here are some things you need to know about parking and moving through campus.

Who has to have a permit to park on Campus?

EVERYONE must have either a temporary permit or a valid SSU decal. Commuter students who have valid decals from other University System of Georgia institutions are not required to purchase a Savannah State decal.

How do I purchase my SSU decal?

All students and employees who park on campus must login to their Parking Account online at www.savannahstate.t2hosted.com to purchase a permit (regardless of method of payment).

How do I affix my parking decal?

Please affix your parking decal to the bottom-left corner of your windshield on the driver's side, using the sticky substance on the decal (tape, or other type of affixing is not permitted). The decal goes on the inside of the window. Please be careful not to block your driving vision when affixing the decal.

Where can I park?

Parking lots are designated for each of the five parking categories (Commuter, Faculty/Staff, Reserved, Resident, Retiree). Parking is restricted to the designated lots from 7:30 a.m.– 4:00 p.m. on class days during Fall and Spring semesters. Otherwise, parking is open to anyone with a parking decal except in reserved spaces.

Transportation

All requests for motor pool vehicles, buses, or vans for trips being paid for from University funds, must be made through Parking and Transportation located in King-Frazier Suite 127. If a

University bus or driver is not available, we will contract for an outside vendor, and the

department will be billed back for the actual amount of the vendor's invoice. Once you have scheduled a trip a Reservation Confirmation will be sent to your email. Upon your return, a Transportation Customer Satisfaction Survey will be sent to your email. For a description of our vehicle fleet and cost, please see <http://www.savannahstate.edu/fiscalaffairs/>

Want to save gas and money?

Try taking the Chatham Area Transit (CAT) bus! SSU students may ride any CAT bus with valid SSU ID. This service is paid for by the student transportation fee. Routes 12 and 31 stops near campus. Schedules are available throughout campus or online at www.catchacat.org. CAT also provides on-campus shuttle services, as well as two bus routes especially for SSU students—the Prowler and the University Express. The Prowler goes to downtown Savannah on Friday and Saturday nights. The University Express goes to McAlpine Square, Oglethorpe Mall, and Walmart five days a week. **Watch your SSU email (Tiger Mail) for pick-up times and locations.** Please note that these routes may be modified at any time during the semester, based on the needs of the University.

Reserved spaces are always reserved! In some parking lots where more than one parking classification is identified, the spaces may be individually marked. Citations will be given to vehicles parked in a space or parking lot that are not in their decal designation. In some cases, violating vehicles may be booted and/or towed. No one with a SSU decal may park in a visitor's space.

An information sheet about where your decal allows you to park will accompany the permit. If you have any questions about where to park, feel free to call the parking office for clarification or visit our website at <http://savannahstate.edu/fiscal-affairs/parking.shtml>.

Where can commuter students, friends, guests, and visitors park who are visiting resident students in the University Commons and University Village?

- **University Commons**—commuter students and visitors must park in the Student Union Parking Lot. All vehicles parked in the University Commons must have a valid Resident decal. All other vehicles will be ticketed, booted, and/or towed.
- **University Village**—Commuter students and visitors must park in the University Village Overflow Lot. All vehicles parked in the University Village must have a valid Resident decal. All other vehicles will be ticketed, booted, and/or towed.

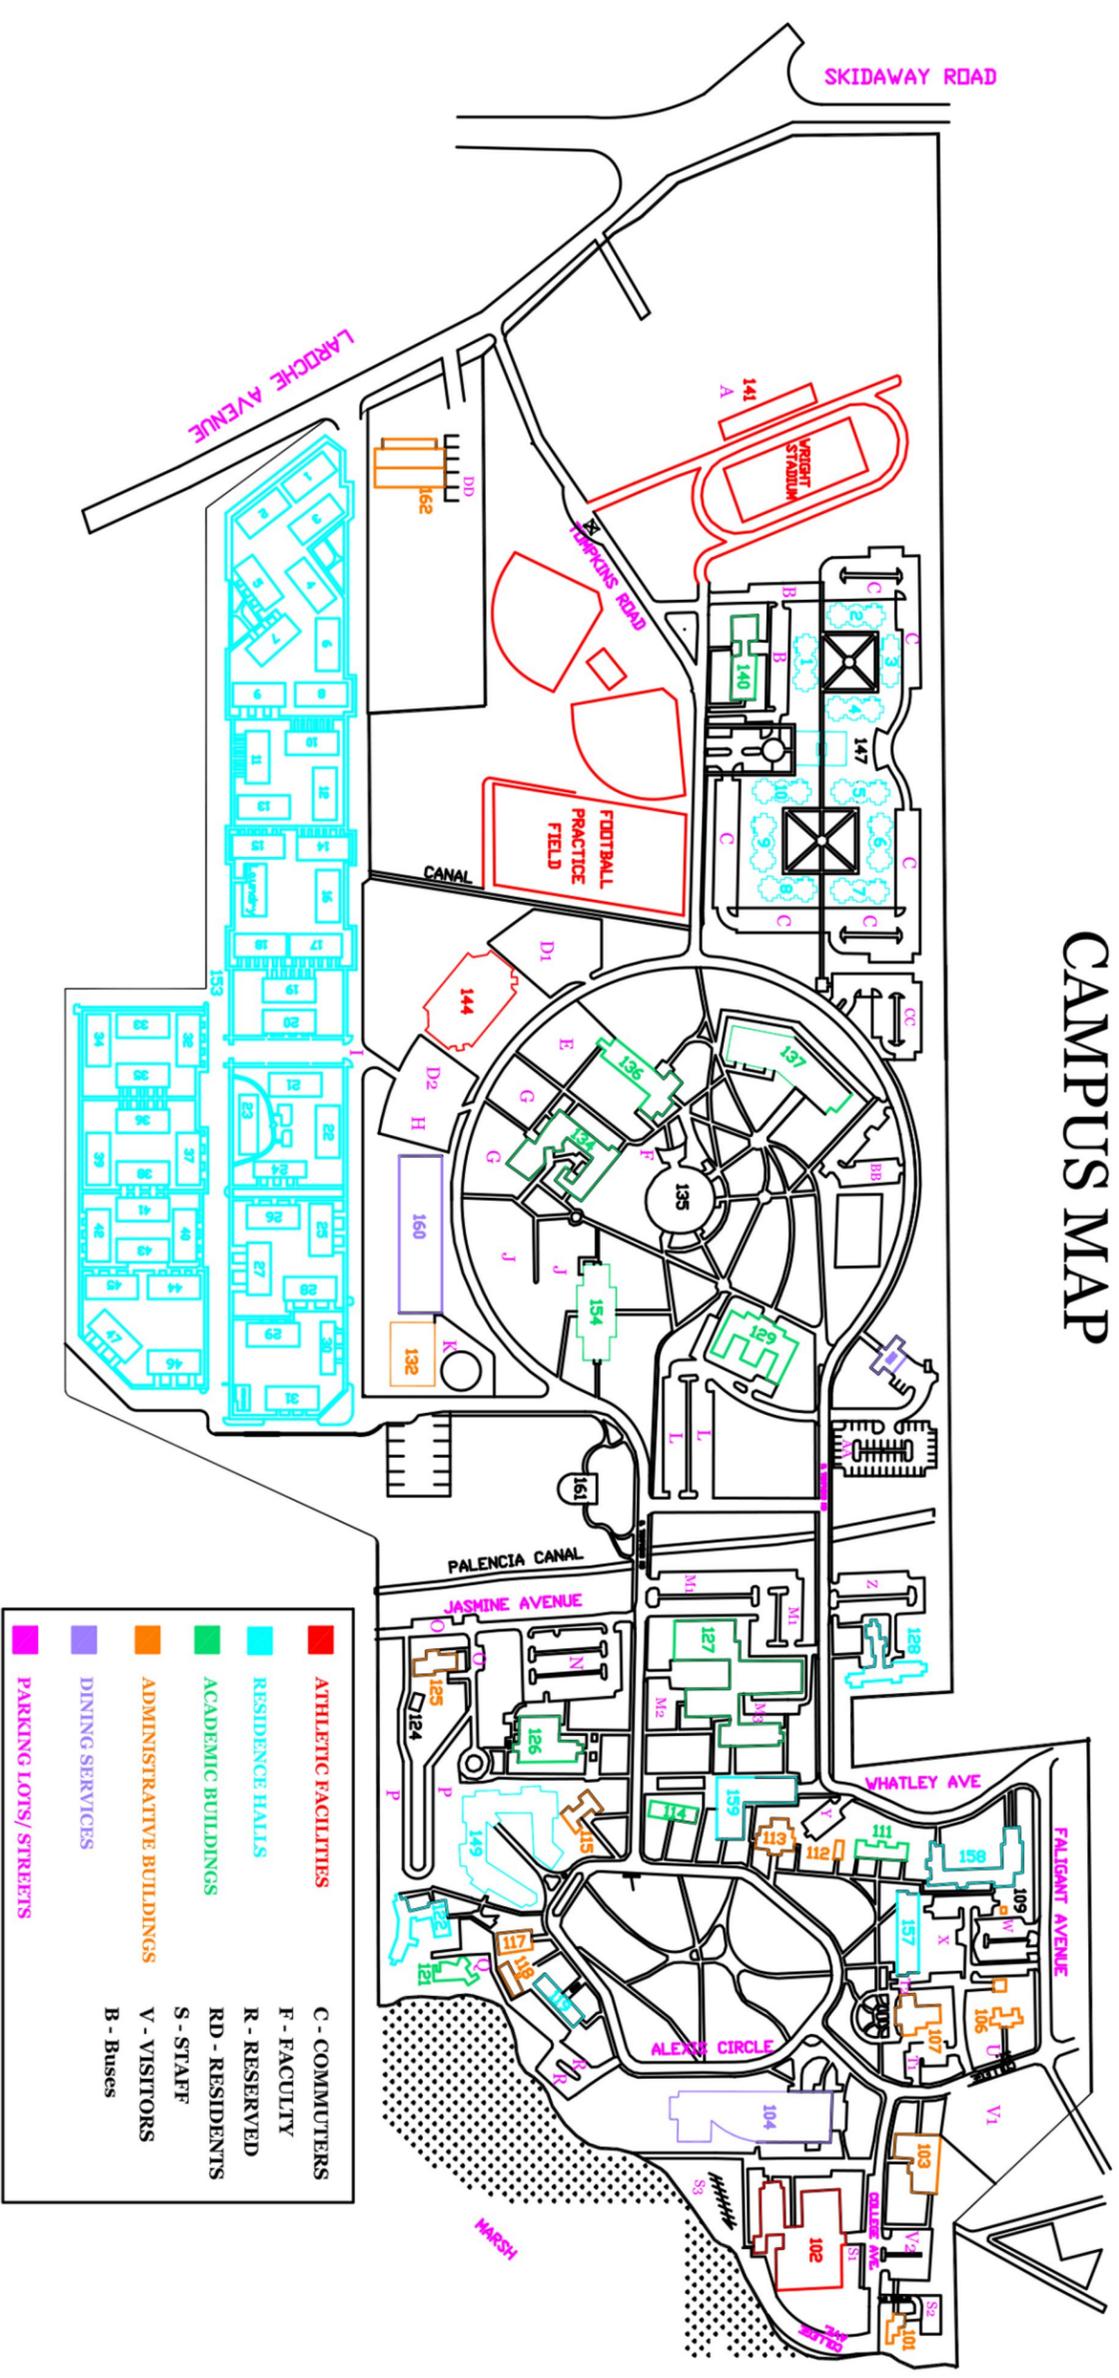

EVERYONE must have either a temporary permit or a valid SSU commuter decal.

How do I receive a temporary permit?

Temporary permits are **only for current decal holders**. For drivers with rental cars, the driver must present rental agreements. Permits are given for the length of time of rental agreement. For drivers with new vehicles, the tag application, title, and bill of sale, must be presented. A 30-day pass is given from the date of purchase. For drivers with mechanical repairs, the permits are given up to 5 days with no documentation. After 5 days, documentation must be presented from the repair shop.
