Director's Discussion

March as majestically meandered its melodic moments our way...

As you embark on SCCPSS District wide Spring Break 2019, please be cognizant of your performance in your courses. All grades matter in your quest for graduation. Post-secondary enrollment is the goal!

In this edition of the UB Update, please be cognizant of the past events that have occurred.

Students have confirmed their participation the two (2) upcoming trips. Please ensure that reserved participants arrive on time for our departures.

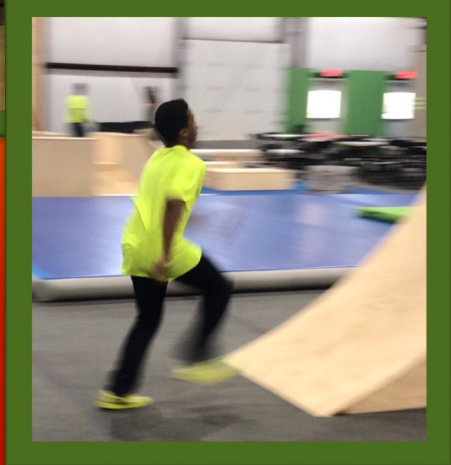

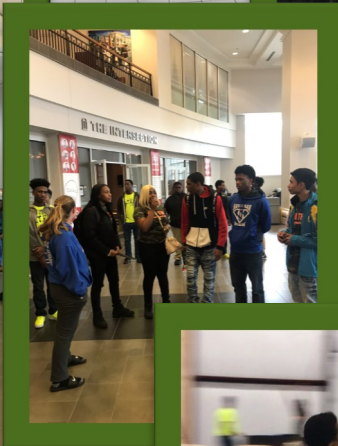

We will have our Female Gender Specific mentoring session "Purses to Briefcases" event on Thursday, March 28, 2019. Submit your RSVP. This is an adjustment to the regular monthly occurrence due to Spring Break. Please find the announcement regarding the Scholar Saturday Session "Family Summit" for March 30, 2019. We will convene at Sol C. Johnson High School for this monthly session and there is an adjusted schedule (details inside).

Each month we have a Gender Specific Initiative for our UB students. These events take place on campus at SSU from 6pm to 8pm and students must RSVP to attend. For the February event, UB male scholar participants and their dads/village supporters attended "Males, Mentoring and Muffins." This was a workshop to bring fathers and father figures and sons together to learn more about themselves and discuss life as a male and self-empowerment. Thank you to every student and "mentor" that attended. We appreciate you! The next gender specific activity is for our UB females on Thursday, March 28, 2019.
