Each month we have a Gender Specific Initiative for our UB students. These events take place on campus at SSU from 6pm to 8pm and students must RSVP to attend. We started off this Academic Year with the young ladies at the first Purses to Briefcases activity. The workshop was entitled “Get in the Know and Be Confident Enough to say no.” The presenters were Ms. Justice Lewis and Ms. Jallona Brady-Dennis who are Masters of Social Work students at Savannah State University. Thank you ladies for an amazing event! The next activity is for our UB males on Thursday, October 25, 2018.

At the Scholar Saturday Sessions for the AY 2018-19, we will focus a lot on Mathematics and Sciences. We would like for our students to be prepared and tackle these subjects effortlessly. At September’s session, the students had an opening session with the Navy ROTC program at SSU and three classes that refreshed their memories in the subjects. The sessions were: Geometry, Algebra and Mathematical calculations in Science. Students were even able to battle each other (girls vs. boys) in math jeopardy to put their skills to the test.
