Director's Discussion

Greetings and welcome to the 2018-2019 Academic Year, where academic excellence will reign supreme! We are embarking on a splendid year and the program is here to assist you with your academic secondary school success and cultural awareness & enrichment.

The academic year will commence on Saturday, August 25, 2018 with our orientation 9:00 am for seniors and 10 am for all other grade levels; location is still being determined. Instruction and Tutorial at the sites will begin on Tuesday, September 4, 2018. We will present of our first Scholar Saturday Session on September 22, 2018. Add these important dates to your calendars.

Also, in this edition of the UB Update, you will find a collage of summer 2018 events. The students were engaged in several activities to allow them not to experience "summer melt." This is the period where most students are not academically engaged due to lull of summer vacation.
